

Dear Parents,

**ArtsPlus@AISCT** is an independently-run program facilitated by AISCT. It includes private lessons designed to empower students with creative, expressive and mindful resources and skills, beyond the classroom experience.

Private lessons are offered after school and on Saturdays in the Performing Arts Center at AISCT. Group and individual coaching sessions are tailored to nurture your child's artistic growth and include vocals, music instruments, drama, and dance.

To secure a placement for your child in the **ArtsPlus@AISCT** program, please complete the form on the following page and email it to the relevant specialist listed in the table below. Lesson availability is limited and placements will be made on a first-come, first-served basis. Please note that private lessons are billed separately.

Please feel free to contact me for more information about our **ArtsPlus@AISCT** program.

Yours in the Arts,

**Ms Gillian Rabie, BA, PGCE, MA Applied Theatre**
